

I recieved a letter today regarding KLOVE 88.5 and FCC plans to enforce LPFM instead of FM which would take KLOVE of the air. My daughter and I love to listen to KLOVE. The people, music and many other aspects of the radio station are very important to our day. I would HATE to see another radio station replace KLOVE ecspecially if the radio station did not share the same morals and values as KLOVE does. It would be a shame. Young and older people need to know that there is goeed uplifting music out there to listen to. Thank you for your time and I hope that you take my comments into consideration. God bless.
